## Overview

**“TASTE AND SEE”** is more than a missions trip. In 4 weeks it provides an introduction to basic cross-cultural adaptation, basic missions principles, basic discipleship and real hands-on ministry experience. All of this is done in a safe, cross-cultural learning and living environment on the beautiful island of Trinidad. The goal of Taste and See is to help those involved further develop a heart for the world. This is also a great “first experience” for someone who is considering becoming a missionary.

### ONE TICKET

It is your responsibility to purchase a round-trip ticket to Trinidad (airport code: POS). Please plan to arrive and depart on the dates listed above.

### ONE THOUSAND DOLLARS

This includes all books, housing, meals, ministry and transportation while in Trinidad. It does not include personal spending money or money for personal toiletry items.
